

High Quality Community Healthcare Services

St. Vincent's Immediate Healthcare Centers provide complete walk-in, urgent care and personal healthcare services to meet the health needs of the community.

From treatment of non-life threatening illness and injuries, to physical exams for school, camp, and employment, IHC is the sought-after resource for medical care and advice.

Our Centers have complete diagnostic services including lab, EKG, and x-ray.

Our Centers, located in **Bridgeport, Shelton, Fairfield and Monroe**, are the area's most extensive network of community healthcare providers.

St. Vincent's Immediate Healthcare Centers accept a wide variety of insurance plans- call any of our Centers for details.
